As an orphaned Holocaust survivor, Pastor Bent Altschul overcame incredible odds and arrived in America when he was 28 years old. He started a college textbook publishing company with only \$100 to his name and turned it into millions. Often noted for his soft-spoken humility, honesty and intimate knowledge of the Word of Jesus, Altschul's speaking engagements, and GATN's events, always leave a lasting impression.

Over 30 years, Pastor Altschul has ministered prayer and seen life-altering instant miracles take place. In addition to his passion for helping and healing the hurts of others, God endowed him with many unique and desirable spiritual gifts for the church. The people who are genuinely affected by the lengthening of their lives will tell you it is “Jesus of Nazareth who healed me!” And just as the scripture says, “My people know My voice!”

During the Television Interview, Pastor Altschul shared the miracle healings of his wife, father-in-law, and mother-in-law that lead to large evangelistic events in Mexico.
