## **God's Holy Spirit Powerfully Touches Pastors at a Four-Day Conference in Villepinte France, Ministered by Pastor Bent (Benjamin) Altschul of Great Among The Nations, Inc. (GATN), from Los Angeles**

**"Profound, Inspirational, Nourishing and Enlightening" were some of the reported experiences among the 400 Pastors and Leaders who gathered from surrounding providences of France and met over a four-day convention to celebrate what God has for His People. Many proclaimed, "Jesus' presence is here and we do not want to leave this place."**

**VILLEPINTE, France, June 1, 2011** /[Christian Newswire](#)/ -- Pastor Bent Altschul founder of Great Among The Nations (GATN) was well received as the Holy Spirit led the Pastor's conference, both by touching lives and healing people as they gathered to celebrate Jesus in fellowship with Bible studies and praise and worship.

Pastor Altschul delivered the message from the book of Revelations pertaining to the church age of Laodicea; and according to Altschul he proclaimed, "God wants us to be awakened from a lukewarm church by being quickened by His Holy Spirit and prepare for His coming." Altschul also presented the

relevance of those who walk with Christ in their lives as the scripture reveals the meaning and significance of 'the slave,' the 'servant' and the 'friend.'

Pastors rejoiced over the message delivered by Altschul and many people testified having received touches by the Holy Spirit through anointing, healing, and visions. As one of many

examples, a French Pastor testified saying, "I have witnessed so many divine interventions that have happened to people during this conference. I myself have received the touch of Jesus. I felt how real it is because Jesus healed me from a severe strain that had lingered for a long time on my left and right side of my neck and shoulders when Pastor Altschul prayed for me on the first night. To have the freedom to walk out from such a conference delivered – it is like being born again to a new hope."

Another nationally-known French pastor said about the successful event, "This type of teaching of the 'End Time Church' is so vital and needed for pastors worldwide, they need this vision – they don't have it, and I never heard any other preacher teach it as clearly and powerfully as Pastor Altschul."
