LOS ANGELES, California, March 22, 2011,

[/Christian Newswire/](#) -- A man who suffered day-and-night for six years from a spinal injury that caused him painful migraine headaches, numbness to his head, left arm and leg was instantly and fully restored and he exclaimed, "I knew God

would heal me today; I have been waiting for this meeting for weeks -- I am completely restored, I don't have my headache anymore and the numbness is gone from my arm and I am healed! I am so relieved and happy over all measures."

An 81-year old woman who suffered from a heart condition called in and reported she felt God touch her as Pastor Altschul prayed for her. She said, "It's unbelievable; I felt something go through my chest, my hand feels light, my heart feels light; I feel the spirit of God all over me." She rejoiced along with the

congregation as they listened to her voice over the public address system.

Another man called in from Oklahoma who suffered from internal bleeding. He

felt the healing power go through his body several times as Pastor Altschul prayed and spoke to him words of deliverance that washed his conscience by the blood of Jesus.

"God is working here and the healing gift is truly given to operate through Pastor Benjamin," said host of the healing service, Reverend Gwyn Vaughn of Faith Christian Assembly. Vaughn says, "I have been a pastor for 50 years, but rarely have I seen such a unique 'dialogue with the Holy Spirit and the people' such as this... and I am happy for the people." Vaughn continues, "I saw a woman come to the meeting who doesn't know Jesus' teaching - she's not a regular church-goer, but Bent showed up and with one touch on her forehead - she's testifying to everyone how God touched her and set her free from a heavy load of grief, ... now that's evangelism!"

According to Pastor Altschul, "We cannot operate without the Holy Spirit. It is Jesus who is touching us all the time even when we don't fully understand His mighty works. There is no magic in Christ's healing power -- it is just sheer grace; so we bless and bless and then watch the Holy Spirit restore peoples' lives. Sometimes our physical body goes through healing stages; other times its miracles and they happen instantly -- and that is what we witnessed today."

Bent Altschul founded Great Among The Nations in 1985 and it is a ministry that supports, inspires and nourishes other pastors and ministries in growing their own assemblies.
