Pastor Benjamin (Bent) Altschul of Great Among The Nations Ministry, holds Revival Conferences Among Belgium's Baptist Churches

The Council Administrator of the Baptist Union of Belgium, Pastor Emmanuel Mukwege, reported, "Our hearts were burning as Pastor Altschul delivered the timely prophetic text from the Bible of the end time church. The wedding with Christ is the church's final destination."

October 28, 2014 Peruwelz, Belgium

Attendees experienced the presence of Christ, as Pastor Altschul testified of his own life's experiences with the Lord and ministered healing to the sick by the power of the Holy Spirit throughout five church conferences.

Elder Eli, of Protestant Church Peruwelz exclaimed, "The whole message was rich, ...the Word of God was touching me and the whole congregation!" As revivals provide renewal in the life of church congregations, attendees expressed their joy and thanksgiving.

Hosting Pastor, Emmanuel Mukwege, called several attendees from the audience who testified of their answered prayers from prior Great Among the Nations Conferences and were ministered to by Pastor Altschul. Among those testimonies was the wife of Pastor Mukwege. She suffered long from severe pain in her arm and shoulder. After x-rays she was told by doctors that surgery was her only solution. However, after prayer with Pastor Altschul, the pastor's wife was healed instantly. She cancelled her surgery and remains free of pain today and for more than a year since the day of her healing.

Another attendee testified, “last year, Pastor Altschul prayed for my 8-year old son who suffered from convulsions. They stopped that day! And, it has been one year since then; they have not come back!”

According to Pastor Altschul, “We are seeing a fresh move of God in both in healing and in end-time prophecy which can be explained in Biblical terms as events take place.

The Jewish people once again have taken possession of their homeland, Israel, after 2,000 years, and we see land disputes with her half-brothers, Esau and Ishmael leading to tension among nations today. These events are foreshadowed as the ‘last days’ by the prophets; Joel, Jeremiah, Isaiah, Ezekiel, Daniel and including Psalm 83.”
